BETALUX
LIFE SAFETY SIGN

INCLUDED HARDWARE

DESCRIPTION	QTY.	SPECIFICATIONS
Philips head long screws	2	1 1/2`
Philips head short screws	2	5/8"
Plastic Bracket	1	Choice of colour
Arrow covers	2	2"x 2"Self - Adhesive

Arrow Cover x 2   5/8" x 2   1½" x 2   Plastic Bracket

PREPARATION

Remove frame and window by depressing the frame release button, then select the method of mounting (surface. flag, ceiling, etc...)

Remove the plastic film from the legend .

Remove plastic film from arrow covers, then peel back and apply to conceal unneeded directional arrow(s)

SURFACE INSTALLATION

The sign has eight (8) surface mounting holes; seltect the best two (2) for your application, FIG (B), then using the hardware provided, affix to wall.

Put legend in place, then replace the window and frame, layering each as shown in FIG. (A).

BRACKET INSTALLATION

NOTE: Mount bracket to wall or ceiling using the two 1 1/2 Philips head long screws provided BEFORE affixing the sign to the bracket.

The supplied bracket can be used for either ceiling or flag mounting, as shown. If the bracket is going to be used, mount bracket and affix sign in desired position using the two 5/8 Philips head short screws provided (FIG. C).
